

Chairman's Report

“I am pleased to have this opportunity to thank all the Committee who made last year's Show such a huge success. We have had much positive feedback from both the people who attended (in excess of 1500 paying adults) and from the stallholders too. The Committee and our team of volunteers worked tirelessly, and without them the Show could not take place.

I would also like to take this opportunity to thank one of our Committee members who is resigning this year. Jane Hurst has worked for two years on the Committee and we will miss her hard work and experience. Thank you, Jane, for all your valued input. Fortunately for us, Jane will remain as a volunteer.

The volunteers need a special thank you as well. The hundreds of tasks that need to be undertaken both prior to, on the day of the Show and after the Show take an enormous effort to complete. This time is cheerfully given by the volunteers and the Committee is most grateful for all their hard work. Although we had a barbeque on the day of the Show to thank the volunteers, this is a more formal recognition of their efforts.

Although the Show is seven months away, the Committee is already getting into top gear organising the 2017 Show. We are committed to getting everything done and implementing a few changes to improve the Show even further.”
